Welcome to The Primate Sanctuary!

Thank you for your interest in the volunteer program at The Primate Sanctuary. The Primate Sanctuary is a nonprofit organization, a place for refuge and protection for primates. It is dedicated to the well-being and placement of unwanted primates.

It is a permanent safe haven for all species of primates, specializing in x-pets, research primates and primates no longer wanted or needed in the entertainment field. At the sanctuary, the rules still apply, no selling or breeding of the primates. What comes to the sanctuary stays at the sanctuary. Our goal is to provide quality care and to ensure a non-stressful living environment for the primates through proper funding and management.

The volunteer program offers many exciting opportunities to become involved and help out. The primates are a huge responsibility and need us to care for them. The work is hard, the hours are long. Work can sometimes be very demanding and the monkeys will always come first. We would like to have as volunteers, dedicated people like you who are willing to give their time and expertise to care for these monkeys.

You will feel a sense of immense joy and accomplishment knowing that you are part of the The Primate Sanctuary's team - a team that is dedicated to bettering the lives of captive monkeys and to educating others of the need to protect these creatures.

Once you have decided that you would like to volunteer, the next step is to complete the volunteer information form and return it to us as soon as possible. You will be called to set up an interview time. Due to the nature of The Primate Sanctuary's work and mission, we are quite selective in choosing volunteers for our program. Within a week of the interview you will be contacted regarding your acceptance into the program.

If you have any questions regarding our volunteer program, do not hesitate to call Carmen or Christie Presti at (716) 284-6118. Thank you again for your interest.

We look forward to seeing you and are sure you will find your experience at the sanctuary fulfilling. You will create memories that will last a lifetime!

Sincerely,

Carmen Presti
